Rules for use

1. This special EXTRA DISTANCE sheet is mainly designed and made available free of charge to walkers who do sanctioned events of less than 10 km [usually 5 km, where available] on a regular basis.

2. This special EXTRA DISTANCE sheet may **only** be used in conjunction with a regular IVV Distance Certification Record Book for which the walker has paid. Please do not use the Special Insert Cards to register distances less than 10 km if you do such walks on a regular basis.

3. Walkers will FIRST COMPLETE the regular IVV Distance Certification Record Book before using this Extra Distance sheet in order to reach their current achievement level.

If in doubt, please contact the person responsible at the club level or consult the CVF web site at *www.walks.ca*.

5. Please submit this special EXTRA DISTANCE sheet and the IVV Distance Record Book at the same time and for the accumulated distance as registered in the regular IVV Distance Certification booklet for which you have paid.
