CVF Special Walking Programs

If this event qualifies for credit in the CVF Cenotaph or Winery, Brewery, Cheese Factory Special Walking Programs, please enter an "X" in the space provided.

- [14] Please enter the appropriate fee for the sanction application, as explained below.
Fee schedule [2009]:
All Scheduled Events [GW, MW, MDW, W, M, SK, R, SW, etc.].... \$30.00
For new Clubs ONLY: In order to promote the creation of new clubs, the CVF Board of Directors will waive the sanction fees for up to 10 Scheduled Events and 2 Year Round or Seasonal Events for up to 2 years. The insurance premium in effect is still applicable, however. New clubs should contact their Regional Director in this regard.
- [15] Since all IVV, CVF / FCV Events must be covered by Liability Insurance, the cost of the current [2009] insurance premium per Event: i.e. \$10.00 for \$2,000,000 coverage is already entered.
- [16] If this is an Annual Volksmarch, normally the submission of two draft copies of a Brochure showing all mandatory details [as per CVF / FCV Rule / Reg. Art 12.], including a sketch of the Award, is required. Publication of similar information in a regional booklet, calendar or web site is also sufficient.

Please mail completed form and fees to: **CVF / FCV,
P. O. Box 2668, Station "D"
Ottawa, ON K1P 5W7**

OR

Clubs in BC and Alberta should send this application to their Regional Association's designated Sanctions Coordinator.
