

IN MEMORIAM

Myrtle (Myrt) Reinholt
June 6, 1937 – December 30, 2020

Myrt's family is saddened to announce her passing at the age of 83. Living with dementia the past 4 years has been challenging for Myrt and, sadly, she recently became ill with COVID-19, an illness she was too tired to fight. It was time for her to rest. Due to COVID restrictions a private family service will be held and a larger social gathering will occur when we are permitted to do so. It would be important to Myrt to have her friends and family gather and socialize. We all know she loved a great conversation and an occasion where she could visit and catch up with others!

Myrt is survived by her brother, Frederick (Maxine); her sisters Madelene, Jean (Carl) and Pearl; nephews Ted (Yette), Todd, and Tim (Shelly); numerous great nephews and nieces and extended family. Donations are gratefully accepted in memory of Myrt for the exceptional, loving care she received at Youville Home, St. Albert, to Covenant Foundation (Youville Home), Room 3C60, 11111 Jasper Avenue, Edmonton AB T5K 0L4, or the Salvation Army, 165 Liberton Drive, St. Albert AB T8N 6A7.

Myrt was a long-time member of the St. Albert Trekkers. She joined the Trekkers in the mid '90s for a few years and then joined again in 2007, continuing to walk with them until 2017 when health interrupted.
