Gerald, beloved husband of 38 years to Dallas, passed away suddenly from a stroke during a family holiday in California. Gerald will be fondly remembered by his children, Drew (Leah), Justin (Cara) and children, Quade, Aven, McKinley and Danielle (Tyrell) and children, Genevieve, Tristan, Audrey; his mother, Matilda; his brother, Keith (Kim); his mother-in-law, Marie Bradshaw; aunt, Bev Finlay; brothers-in-law, Rod (Shelley) and Gordon (Cheryl); his nephews, Quintin (Allison), Parker, Kurt, Brent, Kristopher; niece, Blaire; his aunts, Pauline, Violet, Sandra (Ernie), Gladys, Elaine, Elsie (Gerry), Laura, Grace; and uncles, Edwin (Shirley) and Charles (Rosalie). He was predeceased by his father, Herb; father-in-law, David Bradshaw; his brother, Gregory; and baby sister Weiss, as well as numerous aunts, uncles, and cousins.

Gerald was born and raised in Medicine Hat; he was an active member of several community groups, as well as serving on the provincial dairy board on several committees. He was a Kinsmen life member, Farmhouse alumni, Westminster church board member, and member of the Seven Persons grazing association. He was a proud dairy farmer and produced the highest quality products. In 1996 he and Dallas were the recipients of the Alberta/NWT Canada's Outstanding Young Farmer Award; in 2014 the farm was honoured as the Cypress County farm family of the year, and he was also very pleased to be named the most improved hockey player in the University of Alberta Men's Recreational league when he was a young adult, as he hadn't played as a child. He enjoyed travelling, dancing, the performing arts, and experiencing new food, music, and cultures. He will be dearly missed.
